### Storm Response for City of Woodinville—Preparing for Winter Weather

WOODINVILLE, WA. – The City of Woodinville Public Works Department is preparing for the winter weather season. Public Works has 7 crew members on staff and contractors in place who are prepared to respond.

In the event of a snowstorm, the city will follow its [snow and ice removal route map](#) as a guide for city snow removal efforts. Residents should follow weather alerts from the National Weather Service. The city can access snow plows and will work closely with coordinating agencies to prepare for any necessary weather event response.

**If reporting a life-threatening emergency, dial 9-1-1.** Residents can contact the [Woodinville Public Works Snow and Ice Hotline](#) by phone to report a weather event: 425-877-2290 and leave a message. Messages will only be checked during business hours.

Questions can be directed to Assistant to the City Manager Kellye Mazzoli either by phone: 425-877-2266 or by email: [kellyem@ci.woodinville.wa.us](mailto:kellyem@ci.woodinville.wa.us).
