

CITY OF WOODINVILLE

ONGOING CAPITAL IMPROVEMENT PROJECT UPDATES

PROJECT LOCATION MAP

(1) DEYOUNG PARK IMPROVEMENTS

Project Description: DeYoung Park Improvements include treehouse deck, play area, new plantings, furniture, and custom-designed porch swings to transform the park into a beautiful centerpiece of downtown Woodinville

- Project Start Date – March 19th
- Project Duration – mid March – mid July 2018
- Work Hours - 7AM to 7PM Monday through Friday and 9AM to 5PM on Saturday

Weekly Update – as of May 18, 2018

Traffic Impacts – delivery trucks will be accessing the park through NE 175th St, intermediate lane restrictions may occur

(2) 171ST STREET URBAN PARKWAY

Project Description: NE 171st Street Urban Parkway is a road diet project consisting of the construction of a new roundabout at the intersection of 133rd Avenue NE and NE 171st Street. Work also includes two culvert replacements, hot mix asphalt overlay, planning, signal improvements, illumination, drainage improvements, water main relocation, cement concrete curb and gutter, cement concrete sidewalks, curb ramp replacement, traffic control, pavement markings, signing, landscaping, and irrigation.

- Project Start Date – April 23, 2018
- Project Duration – mid April to Spring 2019
- Work Hours - 7AM to 7PM Monday through Friday and 9AM to 5PM on Saturday

Weekly Update – Week of May 14th

Traffic Impacts – lanes will be reduced to one-lane in each direction along with lane shifts and/or alternating traffic direction with flaggers in one lane only (reduced to one-lane only for both directions)

(3) SAMMAMISH BRIDGE REPLACEMENT PROJECT

Project Description: the project will widen SR 202 (NE 175th St.) from the intersection of 131st Avenue NE (MP 0.31) to Woodinville-Redmond Road (MP 0.55). This segment of SR 202 will be widened to 4 lanes by constructing a new two-lane bridge adjacent to the existing bridge. Railing and sidewalk modification are also included for the existing bridge. It will also include installation of bike lanes, curb and gutter, sidewalk, storm drainage, traffic signals, railroad signals and gates, street lighting, paving/stripping and landscaping.

- Project Start Date – April 18, 2018
- Project Duration – 200 working days, mid April – Spring 2018
- Work Hours - 7AM to 7PM Monday through Friday and 9AM to 5PM on Saturday

Weekly Update – as of May 21, 2018

NE 175th St – the bridge construction will take place daily without lane restrictions this week. Work will require a one lane closure starting this **Tuesday, May 29th through Thursday, May 31st** from **8 p.m. – 5 a.m.**

Trail detour – a portion of the Sammamish River Trail (King County Trail) will be closed starting **Monday, May 29th through Sunday, June 17th.**
