

CHAPTER 21.40 APPLICATION AND NOTICE REQUIREMENTS

SECTIONS:

21.40.015 Applications - Requirements.

21.40.035 Vesting.

21.40.070 Applications - Limitations on re-filing of applications.

21.40.015 Applications - Requirements. Application requirements shall be in accordance with the provisions of WMC 17.09.020.

21.40.035 Vesting.

- (1) A project permit shall vest upon submittal of a complete application for a project permit.
- (2) Supplemental information required after acceptance and vesting of a complete application, pursuant to WMC 17.09.030 shall not affect the validity of the vesting for such application.
- (3) Vesting of an application does not vest any subsequently required project permits, nor does it affect the requirements for vesting of subsequent project permits or approvals.
- (4) A project does not vest upon submittal of a pre-application request.

21.40.070 Applications - Limitations on re-filing of applications. Upon denial by the City of a project permit, no new application for substantially the same proposal shall be accepted within one (1) year from the date of denial.
